Memorial Day Safety Reminders

- This is the **#1 Weekend** for auto fatalities. (Labor Day is #2)
- Record high travel numbers are expected – cheap gas price encourages driving so plan extra road time both work and pleasure
- Avoid non-essential travel when possible – too many cars on the road at once
- Think Safety in all you do: recreational activities; water sports; camping –make plans that emphasize relaxation
- If you must drive – plan the trip to avoid congestion on Interstates
- Avoid road rage incidents- use courtesy, allow extra distance; don't aggravate aggressive drivers even further.
- Remember to give thanks for those who have lost their lives defending our country. Then, come back relaxed, recharged and refreshed!
