

[Elgin Parts Discount Benefit](#)

World Sweeper Association Contractor Membership Program - Elgin Parts Discount

Below is from the members benefit page

The Elgin Sweeper Company offers WSA Members a 20% discount on most Elgin OEM parts.

The WSA discount program is facilitated through the Elgin Dealer network. Elgin Dealers have all received a notice of the program. To check on whether or not the purchasing company is a WSA Member, Elgin dealers should know to go to WorldSweeper.com's Contractor Locator at: www.worldsweeper.com/phpmd_contractors/index.php

Please reference the above URL if a specific Elgin dealership has questions about the WSA discount of 20%. In the event they have further questions, direct those to csr@federalsignal.com or call 877-800-1111.

This 20% discount structure offered to WSA Members is a significant savings for those Members who use the Elgin product line. **Following are the WSA Member requirements and details when using the program:**

1. Contractor members agree to purchase their Elgin replacement parts from participating Elgin dealers in return for the 20% discount.
2. Contractor members agree to the standard credit terms, conditions, and policies established by their local Elgin dealer.
3. Contractor members agree that the program may not be used in combination with other Elgin discounts, incentives, and/or pricing programs.

If you have any further questions about the Elgin 20% parts discount and would like the assistance of the WSA Team, please either call 866-635.2205 or send an email to director@worldsweepingpros.org.
