

We Subscribe to the *Ethics in Power Sweeping Initiative* of the World Sweeping Association

Comprehensive Insurance Coverage

Our company carries a reasonable level of liability insurance and a copy of company's Certificate of Insurance will be supplied upon request.

Workers' Compensation Law Compliance

Workers' compensation insurance is carried on all employees and all of the subcontractors used by our company are required to comply with such rules.

Regulations

We are in compliance with all local, state and federal regulations regarding both required licenses and the proper disposal of sweeping debris. Proof of proper disposal methods will be supplied to customers upon request. All required taxes are being paid, including all payroll, sale and fuel taxes.

Employees

Employees receive training for all equipment used and we strive to provide them with safe working conditions. We follow all state and federal laws regarding compensation.

General Company Professionalism

This business is conducted with honesty, integrity and projection of a professional image. Advertising is truthful and non-deceptive.

Proposals are complete and accurate in describing services/products rendered.
