To Our Valued Customers,

With the recent announcement from state officials to close all nonessential business beginning March 24 at 12pm, we wanted to reach out and assure you that MMPS will remain in operation to provide regularly scheduled services as well as specialized sanitizing and disinfecting service necessary during this time.

We strongly encourage regular upkeep of properties to mitigate accumulating debris like latex gloves, face masks and sanitizing wipes.

Please contact our office to inquire about scheduling and preventative services available.

Stay well,

To our valued customers

We're checking in today to let you know our sweeping and portering teams are out day and night cleaning your lots. We're finding extraordinary amounts of litter and debris – face masks, sanitizing wipes and other litter strewn around the lots at each visit; this is not typical – and it's not letting up. It's a challenge to keep up with the volume, and we want you to know we are committed to keeping the sites in the best condition possible during this difficult time.

Best regards,
