RE: Termination Notice for the State of Nebraska

Termination Notice

Please accept this email as a 15-day Notice of Termination per the Walmart Master Service Agreement for the state of Nebraska on the following Exterior PM Scheduled Service Trades.

- **Parking Lot Sweeping**
- **Portering**
- **Power Washing**
- **Landscaping**
- **Snow Removal**

The last work order will generate on **8/25/2022** for the following weeks service, as your last service week ending (September 3rd). Your team will no longer receive work orders for the service trades listed above after 9/1/2022.

Please submit all unpaid invoices through the specific work order request in Service Channel within 30 days or you will not be paid for that service.

This termination is not a reflection of your performance. The increasing levels of food and fuel inflation are affecting how customers spend. As Walmart continues to reduce the cost for our customers, our teams are working hard on new initiatives to support the savings onto the customer.

Thank you,
Walmart Facility Services
